SHOWROOM & HOME APPOINTMENTS CLOSED TO THE PUBLIC

Due to the outbreak of COVID-19, and in following guidelines from the UK Government and in an effort to do our part in social distancing, we have had to close our showroom and postpone all appointments and Installations until further notice.

We will continue to monitor the situation and make adjustments to this policy as recommendations change. We know how important our service is to our customers and we want to continue to support that as much as possible.

As such we will be working remotely during this period, our phone lines are still operational, we have access to our email and social media platforms and are ready to answer any questions or concerns that you may have so please feel free to get in touch.

We appreciate your continued business with us and look forward to returning back as soon as possible. Until then, stay safe and stay well.
